

High specification, self-coloured, co-extruded polyethylene panels. This material is extremely durable, will not fade in sunshine, it is unaffected by moisture, will not delaminate, is graffiti resistant and easy to clean.

Fastenings are tamper-proof or capped with secure custom-made plastic tamper proof covers. All footholds have a slip-resistant surface.

All our timbers are pressure treated with a chrome-free and arsenic-free preservative which protects against decay and insect attack for 20 years.
