Floors and Ramps  
Birch plywood exterior  
panels with a dense, rough  
'wire-mesh' pattern  
surface to provide a  
slip-resistant finish.

Fastenings are tamper-  
proof or capped with  
secure custom-made  
plastic tamper proof  
covers. All footholds  
have a slip-resistant  
surface.

All our timbers are  
pressure treated with a  
chrome-free and arsenic-  
free preservative which  
protects against decay  
and insect attack for 20  
years.
