

# COMBI GOAL (TIMBER)

creative  
play

All our timbers are pressure treated with a chrome-free and arsenic-free preservative which protects against decay and insect attack for 20 years.

High specification, self-coloured, co-extruded polyethylene panels. This material is extremely durable, will not fade in sunshine, it is unaffected by moisture, will not delaminate.

High quality countersunk torx head wood screw with special thread. Hardened steel with a brass effect finish.
