Foundation Details

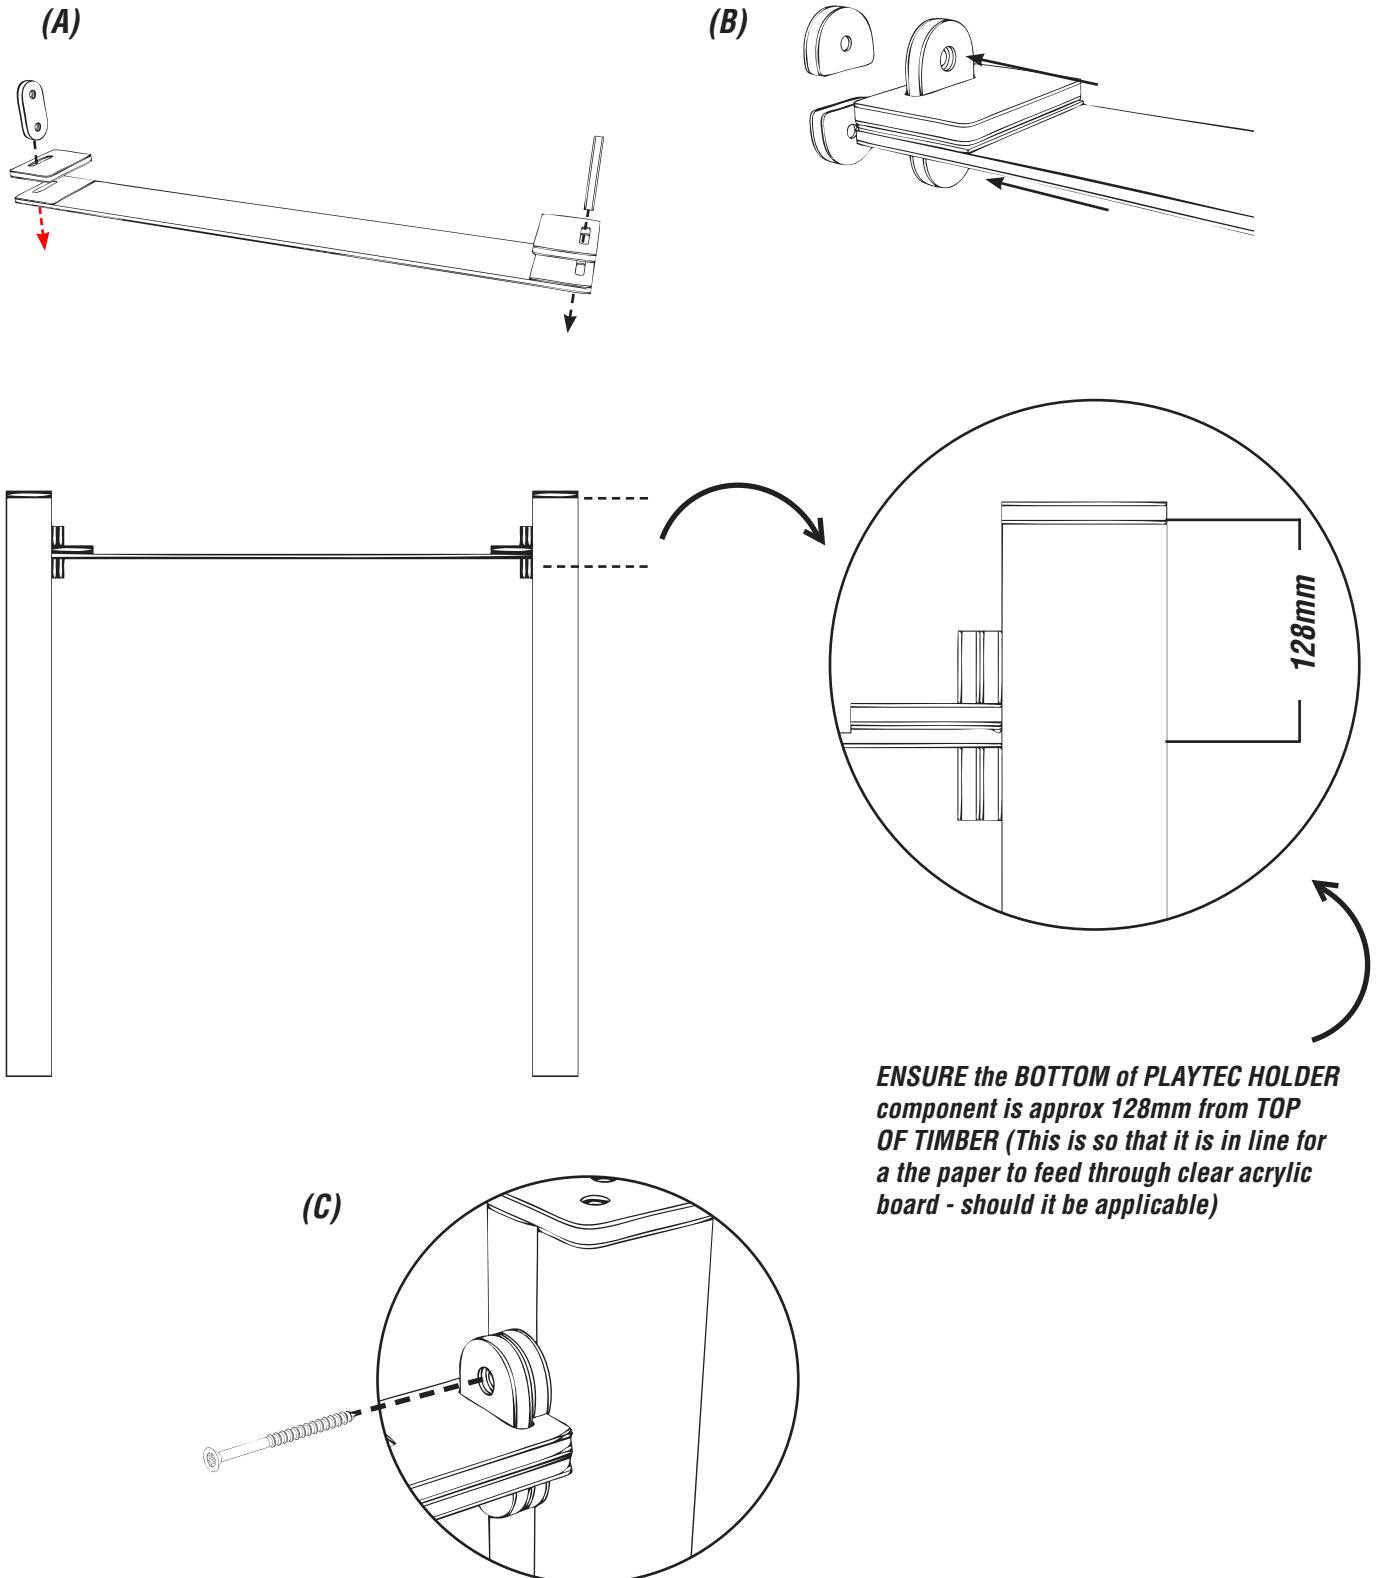

Installation Instructions

1

Attach PLAYTEC PAPER HOLDER in between UPRIGHTS

Using PLAYTEC BRACKETS slid through top and bottom sections (A) and PLACTEC SPACERS (B) to fix to timber uprights using 4 x FM80 BRASS WOOD SCREWS (C)

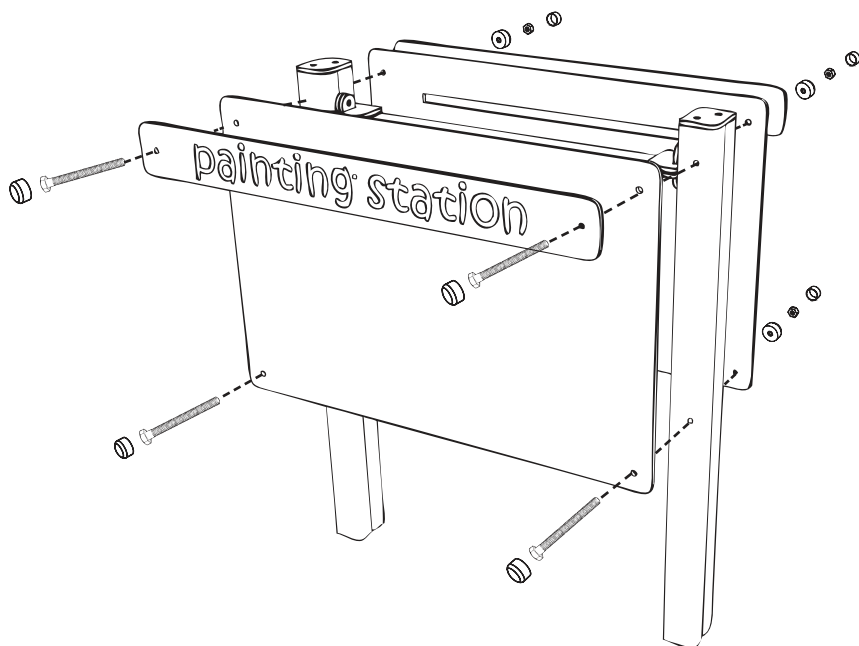

Installation Instructions

2

Attach 2 X CLEAR ACRYLIC and 2 X PLAYTEC SIGN to timber

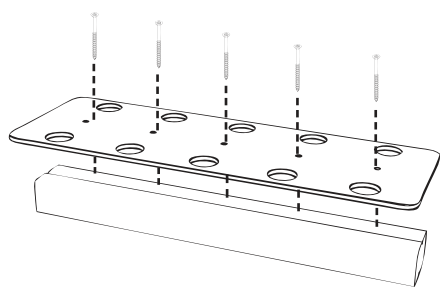

USING (IN ORDER FROM FRONT) 4 X COVERED END, 4 X HEX BOLTS (2 X 190mm TOP / 2 X 160mm BOTTOM)
4 X M12 NYLOC, 4 X COVERED END

Once boards are fixed - TORKTAINER the SIGN and CLEAR ACRYLIC BOARD together using 1 x 3B / 1 X N1 TORKTAINER - REPEAT FOR OTHER SIDE.

3

Attach PLAYTEC SHELF to "PB121b" timber and secure between uprights

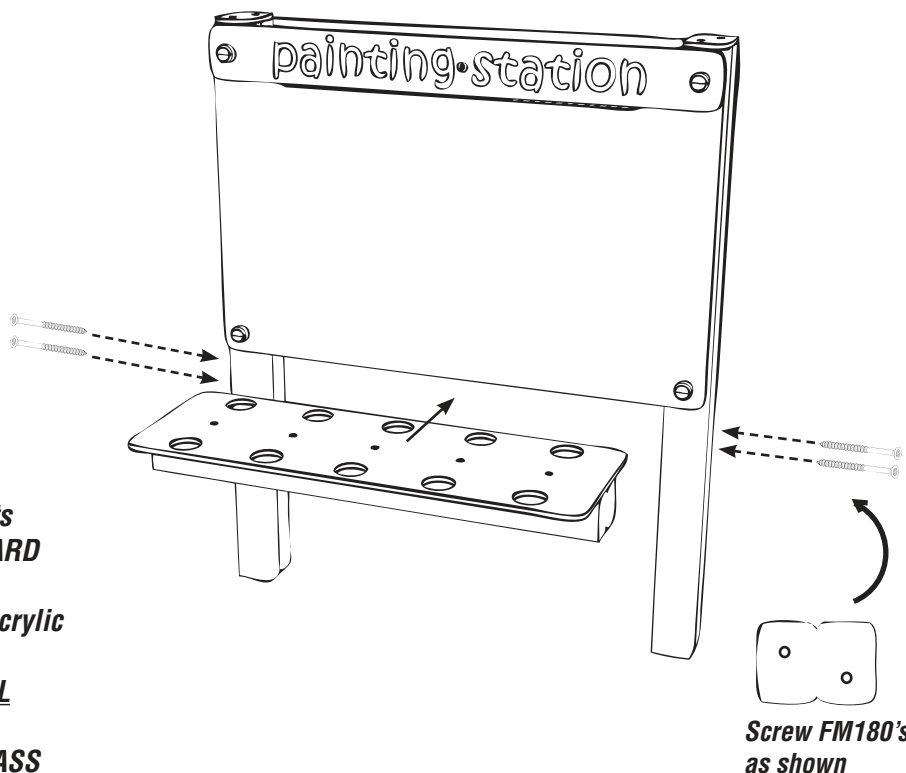

Screw PLAYTEC SHELF using 5x FM80 BRASS WOOD SCREWS

Place this shelf inbetween both uprights DIRECTLY BELOW CLEAR ACRYLIC BOARD

ENSURE - This shelf is right up to the acrylic board and there is no gap inbetween
ALSO ENSURE THAT SHELF IS CENTRAL

Fix this shelf in place using FM180 BRASS WOOD SCREWS

Screw FM180's as shown
