SEAT HEIGHT: 0.27m

MIN. AREA: 11.5m<sup>2</sup>

min. area includes 1m freespace

All our timbers are pressure treated with a chrome-free and arsenic-free preservative which protects against decay and insect attack for 20 years.

Fastenings are tamper-proof or capped with secure custom-made plastic tamper proof covers. All footholds have a slip-resistant surface.

High specification, self-coloured, co-extruded polyethylene panels. This material is extremely durable, will not fade in sunshine, it is unaffected by moisture, will not delaminate.
