MIN. AREA: 23 m<sup>2</sup>

Fastenings are tamper-proof or capped with secure custom-made plastic tamper proof covers.

Floors and Ramps  
Birch plywood exterior panels with a dense, rough 'wire-mesh' pattern surface to provide a slip-resistant finish.

High specification, self-coloured, co-extruded polyethylene panels. This material is extremely durable, will not fade in sunshine, it is unaffected by moisture, will not delaminate.
