

# WATER WALL

creative  
play

All metal is powder coated steel, which gives a smooth durable clean finish.

Fastenings are tamper-proof or capped with secure custom-made plastic tamper proof covers. All footholds have a slip-resistant surface.

High specification, self-coloured, co-extruded polyethylene panels. This material is extremely durable, will not fade in sunshine, it is unaffected by moisture, will not delaminate.

# WATER WALL - PARTS
