

Playground Inspiration

INTRODUCTION

Knowing where to start with an outdoor development can be a daunting task - as the experts, we have put together a brochure packed full with information, inspiration and highlighted products for each of the key educational sectors.

For further information, please head over to our website www.creativeplayuk.com where you can find all of our products (including pricing), along with further inspiration, brochures, funding guidance and ways to contact us to get started!

EARLY YEARS INSPIRATION

OUR 7 AREAS OF LEARNING & DEVELOPMENT FOR EYFS

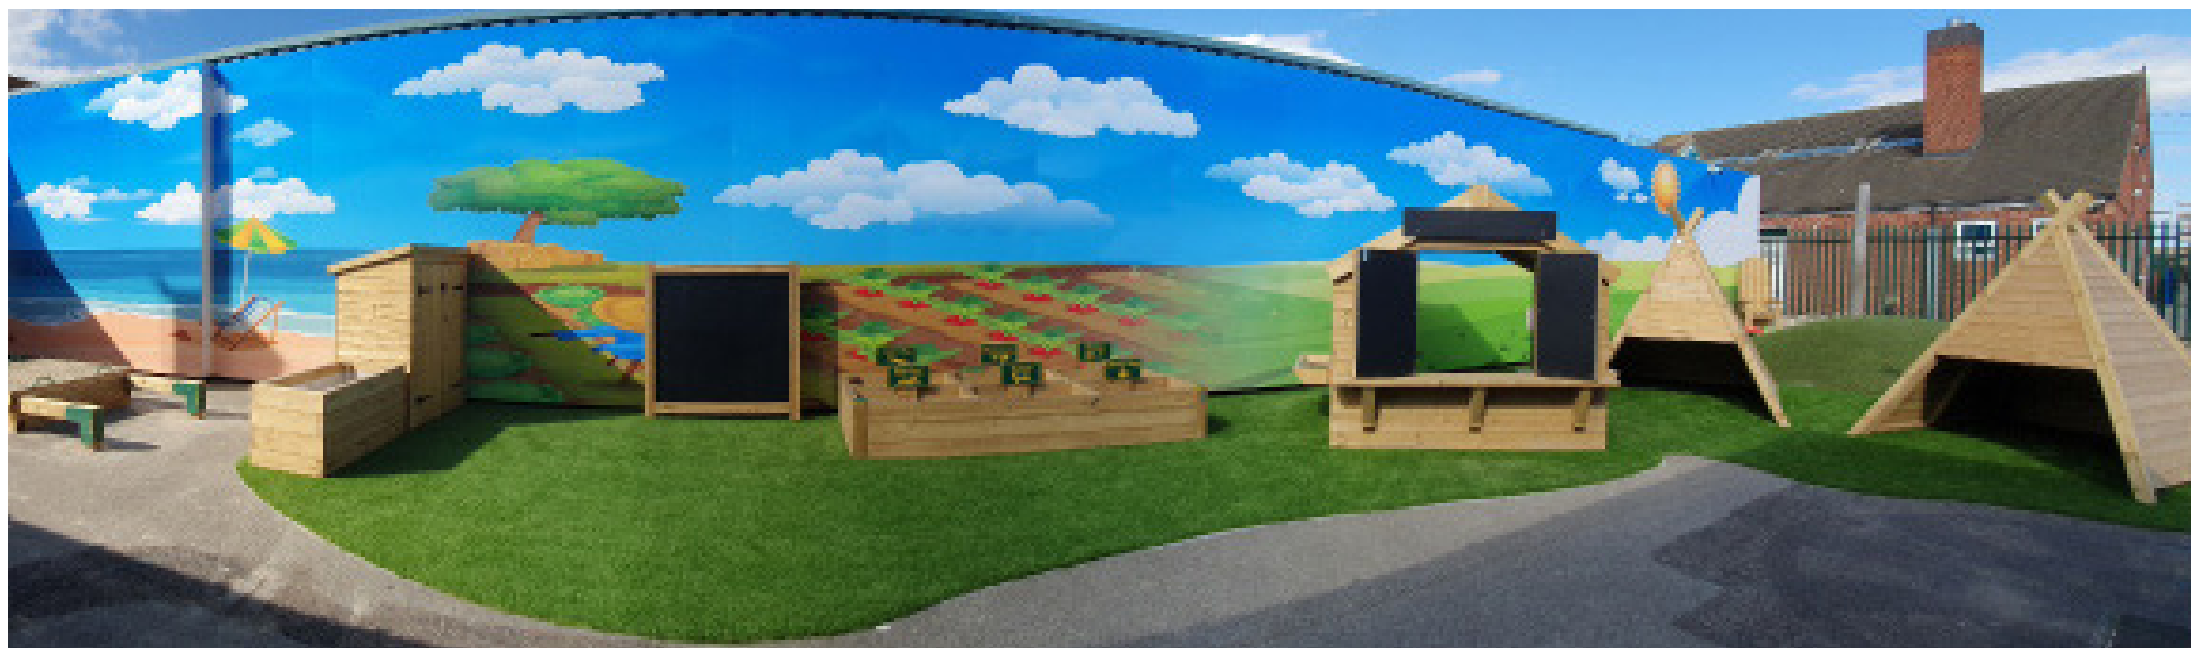

OVERVIEW

We understand a child's earliest years are the most important. At Creative Play we try & look at each Early Years development as a bespoke free flow area to match the needs of every child.

Our products promote all aspects of physical, creative & social development.

KS1 & KS2 INSPIRATION

OVERVIEW

We have a wide-range of playground equipment designed specifically to help develop and improve children's fundamental skills and support key curriculum objectives and requirements.

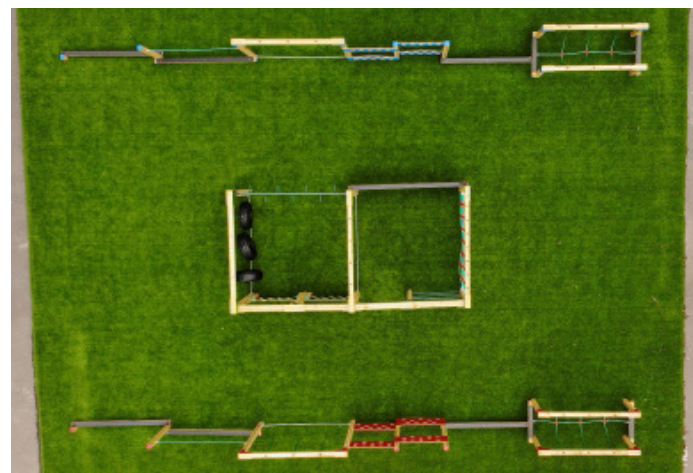

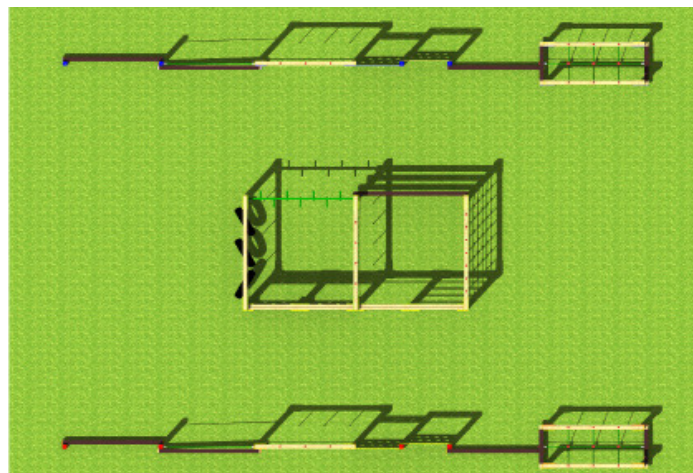

Our equipment helps to facilitate essential physical and social skills that are key to children's experience and progress by encouraging them to learn through outdoor play, and stimulating activities within all the key stages of their development.

A well-designed play area and cross-curriculum linked playgrounds help stimulate activity, excitement, imagination, social skills and behavioural changes, while promoting multi-sensory engagement and positive behaviour, all contributing to the key development benefits.
