WE ARE CREATIVE PLAY

Since 1991, Creative Play has been creating fantastic playgrounds throughout the UK. With more than 30 years experience and 10,000+ playgrounds under our belts, you can be sure you've found the right company to deliver your playground project.

Based in Chester, we manufacture all of our products right here in the UK using tried and tested manufacturing methods, all accredited to ISO 9001 quality management standards. Our products and play spaces are designed to be fun, educational, safe and durable.

Designed & Manufactured at our HQ

We design and manufacture all our own play equipment at our Chester HQ to ensure your playground is of the highest quality.

The Outdoor Play Experts for 30+ Years

Established in 1991, we have over 30 years experience designing, manufacturing and installing playgrounds across the UK.

OUR SERVICES

Creative Play offers a complete turnkey playground solution. From initial enquiry, product and playspace design, manufacture, delivery, installation and through to continued aftercare and maintenance. Our experienced team create over 500 play and sports facilities every year.

We prefer to complete all aspects of your project in house but we recognise that there are occasions that highly skilled sub-contractors can compliment our services. At all times we focus on delivering your project to the highest specification, on time and within budget. All of our playground equipment and surfaces is designed and installed to exceed the British and European safety standards BSEN 1176/77.

OUR WORK

Here at Creative Play we believe actions speak louder than words. Check out a selection of our recent Holiday and Caravan Park developments throughout the UK. From rustic play towers to impressive trim trail circuits, our playgrounds always go down a treat with young visitors.

With over 10,000 Creative Play playgrounds in the UK, you can be rest assured you will be in good company if choosing to work with us. No matter your area size or budget we will work closely with you throughout the entire process to ensure your playground development is the best it can be.

Torbant Caravan Park, Swansea

Torbant Caravan Park reached out to Creative Play after previously having our equipment installed. The park was now looking to create a brand new play area to serve as a focal point at a new section on their site. During their consultation it became clear that they were looking for a variety of equipment such as a central tower system, trim trail, swings and loved the idea of colourful wetpour surfacing.

“ We were constantly kept in the loop by the relevant people on what was happening. The install teams worked tidily & soldiered on despite the awful weather conditions. It is rare for us nowadays to have a project run so smoothly. We will definitely recommend Creative Play! ”

Torbant Caravan Park

Freshwater Beach Holiday Park, Dorset

A two stage development to suit children of all ages, an engaging trim trail allows children to blow off steam while another play area includes a variety of more 'classic' play equipment, such as swings and a seesaw, that younger children can enjoy.

Bridge House Marina, Preston

A rustic play area featuring a custom designed Jigsaw Play Tower as well as numerous playground classics, such as a Basket Swing, Tyre Crossing and A-Frame Double Net, ensure children of all ages can enjoy the on-site playground.

Una St Ives, Truro

A statement climbing frame to compliment the beautiful surroundings of St Ives. The stand alone Dart Activity Centre incorporates a large number of play features that can be accessed by up to 30 children at once.

Forget-Me-Not-Country Park, Newcastle upon Tyne

An impressive play area that really enhances the surrounding environment. A trim trail circuit, large Zenith Multi tower system and a number of swings provide a variety of different play opportunities.

Fron Farm Caravan Park, Mold

A rustic Zenith Two tower system that enhances the natural surroundings of Fron Farm Caravan Park. The rustic round timber roofs not only look great but also provide shelter and allow for all-weather (and all-year) play.

Wareham Forest Tourist Park, Bournemouth

A rustic development to suit the surrounding forest it includes a Sherwood tower, trim trail circuit and basket swing. The area was then finished off with Rubber Mulch Safety Surfacing to ensure all BSEN 1176 & 1177 requirements were met.

OUR TOP PICKS

With over 500 different products in our catalogue, deciding what will work best in your play area can sometimes be slightly daunting - but no worries we are on hand to help! Our 'Top Picks' always go down well in holiday-based settings, even better still they are durable and low-maintenance.

Need to discuss your individual needs further? Why not give us a call on 01244 375 627 and we can get one of our expert play advisors to visit you on site.

PROJECT SPOTLIGHT

Here at Creative Play we believe actions speak louder than words. Check out the in-depth case study of one of our most recent developments, Freshwater Beach Holiday Park, and find out more about their Creative Play playground development.

Our playground development at Freshwater Beach Holiday Park was completed in two stages. They wanted an engaging trim trail to allow older children to blow off some steam as well as a younger play space that would incorporate a variety of equipment in an adjacent area later on in the year. It was vital there was something to suit a wide variety of age groups.

Freshwater Beach Holiday Park, Dorset

Across two different areas, Freshwater Beach wanted children of all ages to be able to play on their site. A trim trail circuit is perfect for keeping older children active while younger, age-appropriate pieces such as a Double Cradle Seat Swing and a Carousel play tower are always popular with little ones. Wetpour Safety Surfacing was used throughout to provide an all-weather play surface.

//

Our Mississippi Trail is a pre-made trim trail circuit that includes a wide variety of exciting play items that children will love

//

Creative Play Sales Director

//

Elements such as swing barriers help the playground's flow & limit collisions during play

//

Creative Play Playground Designer

Let's Go on an Adventure

Role play items such as our Motor Play Panel are always popular play pieces in holiday park settings, especially for younger children.

Back to Basics

Playground classics such as our Double Swings are available in both flat and cradle seat options, so children of all ages can play!

Add Some Character

A classic play piece with a characterful twist, our Dino-Saw adds personality to any playground and is ideal for group play.

YOUR INSPIRATION

Creative Play have been installing play areas for more than 30 years and we have built a huge amount of experience in delivering exciting, innovative outdoor play & recreational facilities.

We understand how important your outdoor playground is to your business. It should be an attractive, engaging area that is also safe for children of all ages to play and interact with each other. Using a variety of high quality, low maintenance equipment, there is something to suit every budget and outdoor space. See a return on your investment and keep children entertained for hours with our many ranges!

OUR ACCREDITATIONS

ere at Creative Play we constantly strive to improve our business, to do this we have been working towards gaining different awards and accreditations. We are proud to publicise that we have accreditations from CHAS, ISO 9001 API and ROSPA.

Each of these accreditations have their benefits and many assessments are completed before being awarded. If you're unsure of what each of them represent we have given a brief breakdown to give you an understanding of what we have been working towards.

ISO 9001

The world's most widely recognized Quality Management System. It belongs to the ISO 9000 family of QMS standards and helps organisations to meet the expectations and needs of their customers.

API

The lead trade organisation within the Play Industry, actively promoting all matters relating to play.

CHAS

CHAS is established as the market leader for health and safety pre-qualification in the UK. It is available to suppliers and to organisations looking for suitably competent suppliers.

ROSPA

The UK's leading safety charity and have been at the heart in accident prevention for almost 100 years.
