## WE ARE CREATIVE PLAY

Since 1991, Creative Play has been creating fantastic playgrounds throughout the UK. With more than 30 years experience and 10,000+ playgrounds under our belts, you can be sure you've found the right company to deliver your playground project.

Based in Chester, we manufacture all of our products right here in the UK using tried and tested manufacturing methods, all accredited to ISO 9001 quality management standards. Our products and play spaces are designed to be fun, educational, safe and durable.

### Designed & Manufactured at our HQ

We design and manufacture all our own play equipment at our Chester HQ to ensure your playground is of the highest quality.

### The Outdoor Play Experts for 30+ Years

Established in 1991, we have over 30 years experience designing, manufacturing and installing playgrounds across the UK.

## OUR SERVICES

Creative Play offers a complete turnkey playground solution. From initial enquiry, product and playspace design, manufacture, delivery, installation and through to continued aftercare and maintenance. Our experienced team create over 500 play and sports facilities every year.

We prefer to complete all aspects of your project in house but we recognise that there are occasions that highly skilled sub-contractors can compliment our services. At all times we focus on delivering your project to the highest specification, on time and within budget. All of our playground equipment and surfaces is designed and installed to exceed the British and European safety standards BSEN 1176/77.

## OUR WORK

Here at Creative Play we believe actions speak louder than words. Check out a selection of our recent nursery and EYFS developments throughout the UK. From rustic play towers to engaging sensory areas, our playgrounds always go down a treat with young children.

With over 10,000 Creative Play playgrounds in the UK, you can be rest assured you will be in good company if choosing to work with us. No matter your area size or budget we will work closely with you throughout the entire process to ensure your playground development is the best it can be.

### Wishing Well Nursery, Worcester

A combination of equipment and safety surfacing to give that real WOW factor. Roleplay Voyager and sensory play equipment allow the children to develop their skills through discovery and play. Vibrant Wetpour Safety Surfacing was installed throughout the area to ensure the playground met all BSEN1176 and BSEN1177 safety requirements.

"Second playground we have had done with Creative Play- we would use you again for any future playgrounds

Staff at Wishing Well Nursery"

Little VIP's Daycare, Carlisle

A bespoke Jigsaw Play Tower to fit in the small outdoor space at Little VIP's Daycare. Play components chosen were to focus on the development of fundamental movement skills and build confidence.

Hopscotch Hove, Brighton

A combination of Wetpour and Artificial Grass Safety Surfacing with various Early Years play pieces that allow young children to discover and explore through play.

Bright Little Stars Nursery, Stanmore

A purely safety surfacing-focused project which included inlaid designs in various bright colours to create an impressive roadway with additional road safety elements; such as traffic lights and zebra crossings.

Shawberry Squirrels Nursery, Shropshire

A rustic outdoor play space that encourages young children to focus on their fundamental movement skills, coordination and balance.

Busy Bees Daybrook, Nottingham

A number of individual play zones that can be used by different age groups. Features our fun playtec fencing, timber bridge, timber crawling tunnel & balance beam.

Rupert's Early Years Nursery, Manchester

A vibrant play area that features our impressive Carousel Maxi. Specially designed for Early Years in mind, it targets all 7 areas of learning & development.

## OUR TOP PICKS

With over 500 different products in our catalogue, deciding what will work best in your play area can become slightly daunting - but no worries we are on hand to help! Our 'Top Picks' always go down well in nursery and Early Years settings, better still they focus on sensory play, discovery and exploration as well as improving fundamental movement skills.

Need to discuss your individual needs further? Why not give us a call on 01244 375 627 and we can organise one of our play advisors to visit you on site.

## PROJECT SPOTLIGHT

Here at Creative Play we believe actions speak louder than words. Check out in-depth case study of one of our most recent developments, Clockwork Day Nursery, and find out more about their Creative Play playground development.

.....  
With Clockwork Day Nurseries opening day quickly approaching, the final part of the development, the outdoor play area, still needed to be addressed. The Nursery contacted Creative Play with a wish list already in mind. Looking to incorporate a roadway, balance/climbing, role play, sand and water features as well as mounds and tunnels to the area we knew we would be able to help!

### Clockwork Day Nursery, Manchester

An impressive outdoor play space that provides challenging, yet age-appropriate, play opportunities for nursery children. A rustic timber play tower and Wetsurf Safety Surfacing roadway act as the main focal point, while additional pieces such as our Timber Sandbox, Timber Playhouse Arc and Mini Mound Tunnel add more variety for children to enjoy.

*“ Creative Play were fantastic from the design and planning stages, right through to the execution ”*

Nursery Owner

*“ The outdoor play area is a fantastic facility for all children of all ages & abilities!!  
A real asset to the nursery ”*

Shadow Secretary of State Education

### Challenging 'Risky' Play

Increased heights & wobbly play pieces are fantastic for promoting challenging play and building confidence!

### Rustic Timber Hideaway

Our range of playhouses are great for providing shelter in the playground whilst encouraging socialisation.

### Natural-looking Safety Surfacing

Our Artificial Grass Safety Surfacing is great for EYFS settings and looks just as realistic as the real thing!

## EYFS INSPIRATION

We understand a child's earliest years are the most important. At Creative Play we try & look at each Early Years development as a bespoke free flow area to match the needs of every child.

Our equipment is designed specifically to assist with this important development and to allow children to explore their physical, psychological and social abilities. From climbing, roadways, den-making, sensory surfacing to water play equipment; there is something stimulating for all ages and ability levels.

## OUR ACCREDITATIONS

Here at Creative Play we constantly strive to improve our business, to do this we have been working towards gaining different awards and accreditations. We are proud to publicise that we have accreditations from CHAS, ISO 9001 API and ROSPA.

Each of these accreditations have their benefits and many assessments are completed before being awarded. If you're unsure of what each of them represent we have given a brief breakdown to give you an understanding of what we have been working towards.

### ISO 9001

The world's most widely recognized Quality Management System. It belongs to the ISO 9000 family of QMS standards and helps organisations to meet the expectations and needs of their customers.

### API

The lead trade organisation within the Play Industry, actively promoting all matters relating to play.

### CHAS

CHAS is established as the market leader for health and safety pre-qualification in the UK. It is available to suppliers and to organisations looking for suitably competent suppliers.

### ROSPA

The UK's leading safety charity and have been at the heart in accident prevention for almost 100 years.
