## WE ARE CREATIVE PLAY

Since 1991, Creative Play has been creating fantastic playgrounds throughout the UK. With more than 30 years experience and 10,000+ playgrounds under our belts, you can be sure you've found the right company to deliver your playground project.

Based in Chester, we manufacture all of our products right here in the UK using tried and tested manufacturing methods, all accredited to ISO 9001 quality management standards. Our products and play spaces are designed to be fun, educational, safe and durable.

### Designed & Manufactured at our HQ

We design and manufacture all our own play equipment at our Chester HQ to ensure your playground is of the highest quality.

### The Outdoor Play Experts for 30+ Years

Established in 1991, we have over 30 years experience designing, manufacturing and installing playgrounds across the UK.

## OUR SERVICES

Creative Play offers a complete turnkey playground solution. From initial enquiry, product and playspace design, manufacture, delivery, installation and through to continued aftercare and maintenance. Our experienced team create over 500 play and sports facilities every year.

We prefer to complete all aspects of your project in house but we recognise that there are occasions that highly skilled sub-contractors can compliment our services. At all times we focus on delivering your project to the highest specification, on time and within budget. All of our playground equipment and surfaces is designed and installed to exceed the British and European safety standards BSEN 1176/77.

## OUR WORK

Here at Creative Play we believe actions speak louder than words. Check out a selection of our recent Holiday and Caravan Park developments throughout the UK. From rustic play towers to impressive trim trail circuits, our playgrounds always go down a treat with young visitors.

With over 10,000 Creative Play playgrounds in the UK, you can be rest assured you will be in good company if choosing to work with us. No matter your area size or budget we will work closely with you throughout the entire process to ensure your playground development is the best it can be.

### Coppull Parish Council, Lancashire

Hoping to regenerate their old barked play area, Coppull Parish Council wanted Creative Play to completely transform their outdoor space. Together, we decided on one of our popular packages that have been created specifically for the needs and requirements of Parish Councils, containing a wide variety of top quality, low maintenance and durable products, such as swings, spring riders and an Activity Centre.

We decided to go with our round timber products for Coppull Parish Council as they are incredibly robust and add a great rustic feel too!

Sales Director at Creative Play UK

### Netley Marsh Parish Council, Southampton

A playground development for both children and adults alike, we included a variety of swings, a Clyde Activity Centre, Spinner and Seesaw. Netley Marsh also had a number of adult outdoor fitness stations installed; encouraging the entire community to be more active.

### Ince Parish Council, Cheshire

A rustic Jigsaw Play Tower & Rubber Mulch Safety Surfacing acts as the main focal point for Ince's development. A low level design, it is a great addition to their existing play equipment, allowing younger children to enjoy the community play space.

### Wincham Parish Council, Cheshire

A rustic play development that really enhances the natural beauty of the surrounding area. Includes a round timber Basket Swing and large Derwent Climbing Frame so that groups of children can enjoy playing together in their local community.

### Rushton Parish Council, Cheshire

An impressive play area that really has everything that a child would want; a large scale tower system, swings, spinners, spring riders and an enclosed Multi-Use Games Area all bring a large variety of play opportunities to children in the local area.

### Birstall Parish Council, Leicester

A large trim trail circuit combined with a tricky Jungle Climber climbing frame and Rubber Mulch Safety Surfacing provides fantastic play opportunities for local children while still leaving ample room on the community field.

### Shree Swaminarayan Temple, Harrow

A variety of playground classics, numerous trim trail items, swings, seesaws and climbing structures, all encourage children to stay active in the community. The use of timber play equipment is also a great way of complimenting the surrounding wooded area.

## OUR TOP PICKS

With over 500 different products in our catalogue, deciding what will work best in your play area can sometimes be slightly daunting - but no worries we are on hand to help! Our 'Top Picks' always go down well in community settings, even better still they are durable and low-maintenance.

Need to discuss your individual needs further? Why not give us a call on 01244 375 627 and we can get one of our expert play advisors to visit you on site.

Age is no barrier! We have tower systems **suitable for 3 years old all the way up to 11 years and beyond!**

## PROJECT SPOTLIGHT

Here at Creative Play we believe actions speak louder than words. Check out in-depth case study of one of our most recent developments, Rushton Parish Council, and find out more about their Creative Play playground development.

Rushton Parish Council contacted Creative Play as they were looking to develop a large open grass area across both the Primary School and the local community field. We knew this would be a huge and exciting project to work on and we were looking forward to consulting with both the School and Parish Council to ensure all requirements were met.

### Rushton Parish Council, Cheshire

The Rushton development was to incorporate a 'Play Zone' and included items such as our large Heartwood tower system, Lilliput Playtown Two, spinners and swings. We then installed a Multi-Use Games Area to allow for sporting activities & team games. This was designed to enable use by both Eaton Primary School during the school day and the local community in the evenings and weekends.

"

***Our large Heartwood tower system has rustic play features, perfect for complimenting the natural surroundings of the local village.***

"

Creative Play Playground Designer

### Big Play for Little Ones

We offer a wide range of play equipment especially designed for younger children, making sure they aren't left out of the fun!

### Provide Sports & Fitness Facilities

A Multi-Use Games Area is a great resource for your community; for both young and old alike! Choose your court markings & tailor it to your needs.

### Swing and Spin with Playground Classics

The opitamy of playground classics, swings and spinners have truly stood the test of time and are more popular than ever. With a large variety on offer, the choice is up to you!

## YOUR INSPIRATION

Creative Play have been installing play areas for more than 25 years and we have built a huge amount of experience in delivering exciting, innovative outdoor learning environments and sport & recreational facilities.

We understand how important your outdoor playground is to your local community. It should be a fun-filled and safe environment for all ages to play, and interact with, together. Using a variety of high quality, low maintenance equipment perfect for local parks and play areas, we have something to suit every budget and outdoor space!

## OUR ACCREDITATIONS

Here at Creative Play we constantly strive to improve our business, to do this we have been working towards gaining different awards and accreditations. We are proud to publicise that we have accreditations from CHAS, ISO 9001 API and ROSPA.

Each of these accreditations have their benefits and many assessments are completed before being awarded. If you're unsure of what each of them represent we have given a brief breakdown to give you an understanding of what we have been working towards.

### ISO 9001

The world's most widely recognized Quality Management System. It belongs to the ISO 9000 family of QMS standards and helps organisations to meet the expectations and needs of their customers.

### API

The lead trade organisation within the Play Industry, actively promoting all matters relating to play.

### CHAS

CHAS is established as the market leader for health and safety pre-qualification in the UK. It is available to suppliers and to organisations looking for suitably competent suppliers.

### ROSPA

The UK's leading safety charity and have been at the heart in accident prevention for almost 100 years.
