

FFH: 1.0m
MIN. AREA: 106.5m²

Ropes and nets
Polypropylene covered
multi-filament steel core
rope secured with hydro-
lically pressed end con-
nections and custom
made tamper-proof net
joints.

Fastenings are tamper-
proof or capped
with
secure custom-
made
plastic tamper-
proof covers.

All our timbers are
pressure treated
with chrome-free
and arsenic-free
preservative which
protects against
decay and insect
attack for 20 years.
