

# FRIENDSHIP BENCH

All our timbers are pressure treated with a chrome-free and arsenic-free preservative which protects against decay and insect attack for 20 years.

Floors and Ramps  
Birch plywood exterior panels with a dense, rough 'wire-mesh' pattern surface to provide a slip-resistant finish.

High specification, self-coloured, co-extruded polyethylene panels. This material is extremely durable, will not fade in sunshine, it is unaffected by moisture, will not delaminate.
