Yellow

Natural

HEIGHT: 2.9
MIN. AREA: 36 / 49 / 64m²
min. area includes 1m freespace

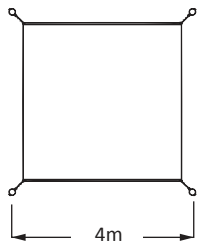

Steel uprights are powder coated tubular steel, which gives a smooth durable clean finish.

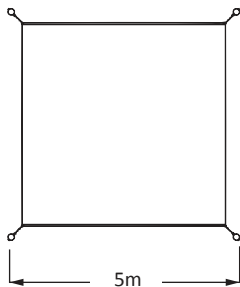

Fastenings are tamper-proof or capped with secure custom-made plastic tamper proof covers.

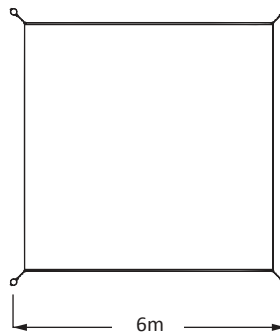

Heavy duty HDPE shade fabric, designed to block out up to 98% of UV rays, whilst allowing heat to escape through.
